Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your gross sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you've written a e book that solves a drawback or presents a new technique, your guide will usher in each traffic and profits.
