As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Make sure your sales copy is precisely the identical on each page, and

contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum value is.

In the end, if you happen to've written a e book that solves a downside or presents a new approach, your guide will bring in both traffic and profits.
