Another strategy is to check out costs by making a variety of duplicate sales pages with completely different costs on each page. Be sure that your gross sales copy is precisely the identical on every page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Finally, in case you've written a e book that solves a problem or presents a new method, your guide

will bring in both visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your e-book solves and what the advantages of your 1214 ebook will probably be to the shoppers who buy it. After which watch your market come to you!
