If these clients have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a gross sales web page for the brand new e-book, however do not embrace a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is exactly the similar on each web page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, if you happen to've written a e book that solves a downside or presents a new approach, your guide will bring in each traffic and profits.
