Do that by making a sales web page for the new ebook, however don't embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be sure that your sales copy is strictly the same on each web

page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum price is.

Finally, if you've written a guide that solves a downside or presents a brand new approach, your e-book will bring in both traffic and profits. So you should definitely write that promoting-handle sentence that sums up what drawback your e-book solves and what the benefits of your 1452 book might be to the purchasers who buy it.
