presenting a model new technique, you will be able to sell books at a high price. Simply be prepared for your competition to undercut you on value as soon as they hear about your book.

Remember that the above pricing strategy is temporary. Eventually, you will stop to sell books at this high price. So work out prematurely how lengthy you plan to offer your e-book at this high value, and when that point is up, change your pricing strategy.

If you want to see giant earnings over buyer draw, purpose for an audience that is looking for easy solutions to their problems at a low price. In case your guide is aimed toward fixing one explicit drawback reasonably than normal recommendation, then you may charge more. Begin at the highest price the market will bear to usher in the largest profits, and plan to low cost the e book a variety of times all through the year.
