Do that by making a sales web page for the brand new ebook, however don't include a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain that your sales copy is exactly the similar on

each web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Finally, in case you've written a e-book that solves a drawback or presents a brand new approach, your e-book will bring in each traffic and profits.
