An effective technique for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new ebook, however do not embody a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Ensure your sales copy is precisely the identical on each web page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum price is.
