An effective technique for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the brand new e book, however do not include a value

on that page. As an alternative, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be sure that your sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.
