An efficient technique for determining a worth is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this

by making a sales web page for the new guide, but don't include a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with different prices on every page. Be certain your gross sales copy is exactly the identical on every web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum value is.

Finally, in the event you've written a e-book that solves a downside or presents a new method, your guide will bring in both traffic and profits.
