An efficient method for figuring out a worth is to ship out a survey to your current customers. If

these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new e-book, but don't embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Make sure that your sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, in case you've written a ebook that solves a downside or presents a brand new technique, your ebook will herald both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what drawback your book solves and what the advantages of your 185 ebook will likely be to the shoppers who buy it.
