Advertising Methods

The key that unlocks the sales potential of your book is to discover a single sentence that turns into your selling handle. Then remember to use that sentence in each piece of gross sales and promotional material, and every time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are a number of different methods that may allow you to sell extra books.

One is to offer something away totally free along with your e-book, akin to a precious bonus item. Or bundle a number of ebooks beneath one value, which lowers the worth for each book if they were bought separately.

An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do this by making a sales web page for the new e-book, but don't embody a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure your gross sales copy is strictly the identical on

every web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum price is.

Finally, if you've written a book that solves a problem or presents a new approach, your guide will herald both site visitors and profits. So you should definitely write that selling-deal with sentence that sums up what downside your guide solves and what the benefits of your 1861 book might be to the purchasers who purchase it.
