Do this by making a sales page for the new e book, but don't include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with totally different costs on each page. Make certain your sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum price is.

In the end, in case you've written a e book that solves a problem or presents a new approach, your guide will usher in both traffic and profits.
