Do that by creating a gross sales web page for the brand new e-book, however don't embody a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Ensure your gross sales copy is exactly the same on every web page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

In the end, for those who've written a e book that solves a drawback or presents a brand new technique, your ebook will herald both traffic and profits. So make sure to write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 208 book will likely be to the purchasers who buy it.
