Do that by making a gross sales web page for the new book, however do not include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Ensure your gross sales copy is exactly the identical on

each page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

In the end, when you've written a ebook that solves a problem or presents a brand new approach, your guide will usher in both visitors and profits.
