One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum price is.

Finally, in the event you've written a ebook that solves a downside or presents a brand new approach, your ebook will herald each traffic and profits.
