Do this by making a gross sales web page for the brand new e-book, however do not embrace a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Be certain your gross sales copy is exactly the identical

on each web page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.

In the end, if you happen to've written a ebook that solves a drawback or presents a brand new technique, your ebook will herald both visitors and profits.
