Do this by making a gross sales web page for the new e book, but do not include a value on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Be sure your sales copy is exactly the similar on each web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum worth is.
