If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a sales web page for the brand new guide, however do not embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on every page. Make sure your sales copy is strictly the same on every

web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

Finally, should you've written a book that solves a downside or presents a new method, your e-book will usher in each site visitors and profits.
