An effective technique for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new e book, however do not embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Ensure that your gross sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a guide that solves a problem or presents a new technique, your e book will herald both site visitors and profits.
