Do that by making a sales web page for the new guide, however don't embody a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on each page. Make sure your sales copy is precisely the same on every page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum price is.

Ultimately, for those who've written a e-book that solves a problem or presents a new approach, your e-book will bring in both visitors and profits.
