One other strategy is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be certain your gross sales copy is precisely the similar

on every page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.

Finally, in the event you've written a guide that solves a problem or presents a brand new method, your book will herald each visitors and profits.
