One other technique is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Ensure your gross sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a brand new method, your ebook will usher in each traffic and profits.
