price. Do that by creating a gross sales page for the brand new ebook, however don't embody a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Be certain your gross sales copy is strictly the same on every web page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.

Finally, in the event you've written a guide that solves a downside or presents a brand new technique, your ebook will usher in both visitors and profits.
