One other strategy is to check out prices by making a number of duplicate sales pages with completely different prices on each page. Make sure that your sales copy is exactly the same on

every page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.

Finally, if you happen to've written a ebook that solves a drawback or presents a brand new approach, your e book will bring in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what drawback your guide solves and what the advantages of your 589 e-book shall be to the customers who buy it.
