Another technique is to test out costs by creating a variety of duplicate sales pages with totally different prices on every page. Be certain your sales copy is strictly the identical on each page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

In the end, for those who've written a ebook that solves a downside or presents a brand new approach, your e-book will herald both site visitors and profits.
