The key that unlocks the gross sales potential of your e book is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your e-book answers and the benefits your e-book can provide. Then be sure to use that sentence in every piece of gross

sales and promotional material, and each time anyone asks you about your ebook.

An effective method for figuring out a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the new ebook, but do not embody a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your gross sales copy is strictly the same on each web page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum price is.

Finally, in the event you've written a guide that solves a drawback or presents a brand new approach, your guide will usher in both site visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your ebook solves and what the advantages of your 709 e book might be to the customers who purchase it.
