Do that by creating a gross sales page for the brand new ebook, however don't embody a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is strictly the similar on every web

page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum value is.

Finally, should you've written a guide that solves a downside or presents a new approach, your book will bring in each visitors and profits. So make sure you write that selling-deal with sentence that sums up what problem your ebook solves and what the benefits of your 748 e-book will likely be to the customers who purchase it.
