Do that by creating a sales page for the new e book, however do not include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with totally different costs on every page. Make sure your sales copy is strictly the identical on each page, and

consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum price is.

Finally, should you've written a e book that solves a drawback or presents a brand new method, your guide will usher in both visitors and profits.
